## Ebook Details:

*Review: This is the perfect book for bed time reading. My two-year-old twins love its dreamy, sing-song short stanzas. The lyrical quality of the text is perfectly complemented by the pastel illustrations. The narrative gently intercuts between a child's perspective on winding down for night time and depictions of the moon illuminating natural or domestic settings...*

*Description: It is night. Inside a house, a child is getting ready for bed. A hall light is switched on, toys and animals are settled in their places. Papa reads a story, Mama comes in to say good night, dreams wait to enter sleep... And if the moon could talk, it would tell of the many different nighttime activities that it sees from its vantage point, outside the...*
